NEA'S YES LEADERS
PROGRAMME

03

OTHER NEA PROGRAMMES
ACCEPTED

INTRODUCTION

In our continued efforts to raise youth awareness about the Singapore Green Plan 2030 and create platforms for youths to serve our community, the National Youth Achievement Award (NYAA) Council has partnered with the National Environment Agency (NEA) to highlight some initiatives that qualify as activities to fulfil the NYAA Award Programme.

How do I clock these activities?

- Add Activity > Type of Activity > Select 'Supporting Organisation'
- Host Organisation: 'NEA'
- Host Contact: If no NEA personnel is present, input your/parent/guardian's details

NEA PROGRAMMES

Youth for Environmental Sustainability (YES) Leaders Programme (LP)

(*By IHL/NYAA Council
nomination only)

- Provides learning opportunities for leaders to build up environmental knowledge and skillsets.
- Provides networking platforms.
- Year-long programme with the implementation of sustainability projects in their school campuses or the community.

NYAA COUNCIL

Youth for Environmental Sustainability (YES) Leaders Programme (LP)

Before the programme

- Participants must currently be a Singapore Citizen or PR.
- Participants must be nominated by their Institutes of Higher Learning (IHL) or the NYAA Council for the programme and must be available to commit to the entire duration of the leadership programme.
- Youth leaders passionate about environmental sustainability and have project ideas should be supported by their IHL for implementation within the campus.

- Youth leaders who successfully complete the YES LP will become part of NEA's YES Network, gaining access to mentor support and the opportunity to connect with other youth leaders engaged in environmental and sustainability initiatives.
- The main goal is to nurture lifelong stewards who will advocate and champion environmental causes.

After completion?

NEA PROGRAMMES

Youth Corps Leaders Programme – NEA YES Edition

- Nurturing youths to lead projects to tackle pressing environmental issues in the community through a structured programme.
- For youths between 17 to 25, visit [this link](#) for more.
- Participants will join a project in collaboration with a community partner where they will become part of a team of young people from diverse backgrounds and contribute to both the planning and implementation of the project.

Leadership
Initiative Example**

NEA PROGRAMMES

NEA Volunteer Corps

- Those interested may visit [this link](#) to learn more about the different volunteer programmes such as Community Auditors, Community Volunteers, and SG Clean Ambassadors.
- Volunteers must be 18 years old and above.
- Learn how to contribute to a cleaner & greener Singapore through the different NEA volunteer programmes by signing up to be a member of the NEA Volunteer Corps and carrying out duties to uphold public health.

**NYAA Service
Learning Example**

NEA PROGRAMMES

Recycling of E-waste

- Visit [this link](#) to learn more about E-Waste Management.
- Some suggested activities NYAA Participants may consider:
 1. **[CLI]** Organise a school-wide 'E-Waste Recycling Day' to educate others on how to sort and recycle e-waste.
 2. **[SL]** Or join an E-Waste Recycling project and render your services to help improve the recycling habits within your school or the community.

**NYAA Community
Leadership Initiative or
Service Learning Example**

NEA PROGRAMMES

Clean Singapore Learning Trail

- Want to organise your own beach/park clean-up activity with your peers?
Visit [this link](#) and register via Singpass!
- Some suggested activities NYAA Participants may consider:
 - 1.[**CLI**] Organise and carry out a group beach/park clean-up activity with schoolmates and learn the importance of taking ownership of Singapore's beaches and parks.
 - 2.[**SL**] Or render your services to existing projects to provide support in maintaining the cleanliness of Singapore's public spaces.

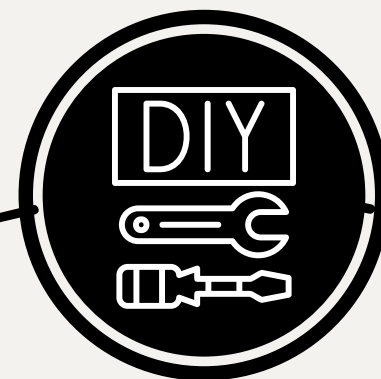

**NYAA Community Leadership
Initiative or Outdoor
Appreciation Example**

NEA PROGRAMMES

At-home DIY Upcycling Projects

- NEA's website features various [DIY upcycling projects](#).
- Some suggested activities NYAA Participants may consider after learning how to create DIY projects through these resources:
 1. **[CLI]** Organise and conduct workshops to teach others about the importance of upcycling.
 2. **[SL]** Or render services to existing projects, play a role in elevating interest in upcycling and help others cultivate good recycling habits.

**NYAA Community
Leadership Initiative or
Service Learning Example**

THANK YOU

The list provided is not exhaustive, as the availability of programmes and events can vary each year.

If you have any questions about an activity, please consult your coordinator for clarification or contact the NYAA Council for further assistance.
